**SHIRIKI JONES,**  
ADJUNCT PROFESSOR, EMORY  
UNIVERSITY LAW SCHOOL

"Joy's authenticity and passion as she engages with others is infectJoy's strength, vulnerability and leadership was on full display when she served as a powerful speaker and moderator for a session on the critical importance of self-care, mental health, self-awareness, and the power of sisterhood in the legal profession for our attorney members. I am truly thankful for Joy, her servant leadership and her commitment to helping others tap into their full potential."

**TONYA FEWELL,**  
FOUNDER & CEO, BRIDGE EVERY GAP

"What is truly inspiring about Joy is that she is not content to keep her success to herself. Instead, she generously shares her message of perseverance and fortitude with others, encouraging them to never give up on their dreams despite any challenges that may arise... Joy's keynote challenged women of all ages to never quit and boldly show fortitude when a goal is deferred, or an obstacle presents itself. Her message was empowering and resonated deeply with all those in attendance. Her ability to connect with her audience and inspire them to action is truly remarkable."
